A Tale of Two Cities (1859) is a historical novel by Charles Dickens, set in London and Paris before and during the French Revolution. The novel tells the story of the French Doctor Manette, his 18-year-long imprisonment in the Bastille in Paris and his release to live in London with his daughter Lucie, whom he had never met. The story is set against the conditions that led up to the French Revolution and the Reign of Terror.

Lily has grown up believing she accidentally killed her mother when she was four. She not only has her own memory of holding the gun, but her father's account of the event. Now fourteen, she yearns for her mother, and for forgiveness. Living on a peach farm in South Carolina with her father, she has only one friend: Rosaleen, a black servant whose sharp exterior hides a tender heart. South Carolina in the sixties is a place where segregation is still considered a cause worth fighting for. When racial tension explodes one summer afternoon, and Rosaleen is arrested and beaten, Lily is compelled to act. Fugitives from justice and from Lily's harsh and unyielding father, they follow a trail left by the woman who died ten years before. Finding sanctuary in the home of three beekeeping sisters, Lily starts a journey as much about her understanding of the world, as about the mystery surrounding her mother.

The Secret Garden by Frances Hodgson Burnett from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. Where you tend a rose my lad, a thistle cannot grow. Frances Hodgson Burnett, The Secret Garden The Secret Garden is a classic children's novel about a little girl who goes to live with her uncle and discovers a great secret.

Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America's best-loved novels by PBS's The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Clarence is gone! Christine cried, wringing her hands. Becky has been looking for him, and he's disappeared! Are you sure he's not somewhere around? asked Skinny. He really is gone, said a very white and trembling Becky, and it looks like he was killed! I'll go see, said Skinny, and ran toward the place where Clarence had been chopping their wood supply. Five orphaned children. Mysterious Secrets. The quest for a lost treasure. Danger lurking down every dark alley. Undying love and loyal friendships. Thus begins the amazing adventures of The Company of Secret Kids. Thrown together by chance, five kids experience adventures beyond belief, from the plains of Africa to the streets of Paris. Pitted against evil villains they valiantly fight for their beliefs.

After her "stand-in mother," a bold black woman named Rosaleen, insults the three biggest racists in town, Lily Owens joins Rosaleen on a journey to Tiburon, South Carolina, where they are taken in by three black, bee-keeping sisters.

""When we consider how much the philosophers of this world have labored, we should be ashamed to be inferior to them""; ""We should seek always to comprehend by reason what we hold by faith."" Richard of St. Victor. His works fall into the three classes of dogmatic, mystical, and exegetical. In the first, the most important is the treatise in six books on the Trinity, with the supplement on the attributes of the Three Persons, and the treatise on the Incarnate Word. But greater interest now belongs to his mystical theology, which is mainly contained in the two books on mystical contemplation, entitled respectively ""Benjamin Minor"" and ""Benjamin Major,"" and the allegorical treatise on the Tabernacle. He carries on the mystical doctrine of Hugh, in a somewhat more detailed scheme, in which the successive stages of contemplation are described. Assemble here are, for the first time in English, his most important and essential works together in a single volume.
