Cultivate a daily drawing practice Draw 365 images this coming year and create a daily drawing practice. Improve visualization, coordination, grow new pathways in the brain, improve analytical skills, concentration, communication and develop an "eye" In this graph paper drawing notebook you will find 365 images to draw, one for each day of the year. Focus on the lines in each square of the graph and simply draw one box at a time until you have created the full image. This creates an eye for detail and takes away any intimidation you may have when seeing objects as a whole, break it down and start there. No need to think about what to sketch every day simply focus on what is in each square and reproduce it. Don't put off your drawing time, put in the practice and become the artist you know you can be.
