brackets.

Uniden Scanner & Bearcat Radio Parts

A: To program this scanner manually, you will first want to make sure
that everything is deleted out of it first, like the preprogrammed states
such as Alaska. To do this you will want to turn off the scanner. While
it is turned off you will push in and hold in the 2, 9, and Hold keys.
Continue holding these down while you power on unit.

Radio Scanners - Uniden Support

During search mode the scanner will search 100 frequencies per
second, while in Turbo Search Mode the scanner can achieve up to
