But there was more in the bounty than gems and gold, for the treasure was cursed, and in time it brought death to noble and peasant, war between Man and Dwarf, strife and destruction beyond reckoning. " An enraged elephant flips a car onto its roof. A lioness prises open the door of a terrified couple. A leopard helps itself to a family's picnic breakfast. A fleeing impala leaps through an open car window. A lion charges around inside a busy rest camp. A hyaena snatches a baby from a tent. A tourist takes a bath in a croc-infested dam...These are just a few of the 101 jaw-dropping sightings, scrapes and encounters in this collection of extraordinary true stories from the roads, camps, picnic sites and walking trails of South Africa's Kruger National Park, as told by the very people who experienced them. There are no game ranger tales here - each and every story happened to an ordinary Kruger visitor doing what over a million tourists do in this spectacular reserve each year." -- Back cover.

Drawing inspiration from John Cage's, *Notations*, *Notations 21* features illustrated musical scores from more than 100 international composers, all of whom are making amazing breakthroughs in the art of notation. These spectacularly beautiful and fascinatingly creative visual pieces not only make for exciting music, but inspiring visual art as well. The scores are accompanied by written contributions from the artists that explore every facet of their creative processes, from inspiration to execution. Contributors include the likes of Karlheinz Stockhausen, Earle Brown, Halim El-Dabh, Joan La Barbara, and Yuji Takahashi, as well as emerging composers whose compositions are also visually astounding and important. In the spirit of honoring the 40th anniversary of Cage's seminal book, while furthering it in a 21st century context, a portion of the sales will be donated to the Foundation for Contemporary Performing Arts.
