Scooters and scootering are the fastest growing segment of the American motorcycling market. Because of their low cost, ease of operation, and unintimidating nature, scooters are especially appealing to new riders. This book will provide the scooter owner with everything he or she needs to know. It will tell a person what kind of scooter to buy, how to buy it, and where to buy it. It will instruct the owner on maintaining and customizing his or her scooter. It will even help the scooterist find scooter-related events and activities. In sum, this is all the book any scooter owner will ever need.

Reflections of a Cat Whisperer is a journey through childhood and then into life as an adult. The short stories, thoughts, and verses are descriptions of the interactions between numerous felines and me throughout the years. This collection is not one continuous story; rather it contains descriptions of moments with my thundering herd and other felines. It is about a magical way of looking at life through which I received wisdom and continue to do so from these marvellous creatures.
