Chapter 25 - America Moves to the City.

Printer Friendly. I. The Urban Frontier.

From 1870 to 1900, the American population doubled, and the population in the cities tripled. Cities grew up and out, with such famed architects as Louis.

Sullivan working on and perfecting skyscrapers (first appearing in Chicago in 1885).

I. Introduction. Relations between the United States and the Soviet Union—erstwhile allies—soured soon after World War II. On February 22, 1946, less than a year after the end of the war, the chargé d'affaires of the U.S. embassy in Moscow, George Kennan sent a famously lengthy telegram—literally referred to as the Long Telegram—to the State Department denouncing the Soviet Union.

sequence requirements of most courses.

The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

'Things Fall Apart' tells the story of Okonkwo, an important man in the Igbo tribe in the days when white men were first on the scene. Okonkwo becomes exiled from his tribe, as a result of his pride and his fears, with tragic consequences.

Psychiatry at a Glance is an up-to-date,

# Get Free Chapter 25 D Reading American Society

accessible introductory and study text for all students of psychiatry. It presents 'need-to-know' information on the basic science, treatment, and management of the major disorders, and helps you develop your skills in history taking and performing the Mental State Examination (MSE). This new edition features: •

Thoroughly updated content to reflect new research, the DSM 5 classification and NICE guidelines • All the information required, including practice questions, for the written Psychiatry exams • Extensive self-assessment material, including Extending Matching Questions, Single Best Answer questions, and sample OSCE stations, to reinforce knowledge learnt • A companion website at [ataglanceseries.com/psychiatry](http://ataglanceseries.com/psychiatry) featuring interactive case studies and downloadable illustrations Psychiatry at a Glance will appeal to medical students, junior doctors

and psychiatry trainees, as well as nursing students and other health professionals and is the ideal companion for anyone about to start a psychiatric attachment or module.

"This book must be regarded as a greatly important contribution to race relations literature. It is invaluable for the manner in which authors combine the lessons of history with insightful analyses of empirical data to demonstrate patterns of change over the past fifty years in the status of African Americans... Provocative and stimulating reading." —James E. Blackwell, University of Massachusetts, Boston "Presents a wide-ranging reanalysis of the seminal work done by Gunnar Myrdal in 1944, examining virtually every issue that Myrdal noted as relevant to the American race question. In so doing, Clayton and his contributors have brought the matter up to date and

# Get Free Chapter 25 D Reading American Society

shown how the American dilemma continues into the twenty-first century." —Stanford M. Lyman, Florida Atlantic University Fifty years after the publication of *An American Dilemma*, Gunnar Myrdal's epochal study of racism and black disadvantage, *An American Dilemma Revisited* again confronts the pivotal issue of race in American society and explores how the status of African Americans has changed over the past half century. African Americans have made critical strides since Myrdal's time. Yet despite significant advances, strong economic and social barriers persist, and in many ways the plight of African Americans remains as acute now as it was then. Using Myrdal as a benchmark, each essay analyzes historical developments, examines current conditions, and investigates strategies for positive change within the core arenas of modern

society—political, economic, educational, and judicial. The central question posed by this volume is whether the presence of a disproportionately African American underclass has become a permanent American phenomenon. Several contributors tie the unevenness of black economic mobility to educational limitations, social isolation, and changing workplace demands. The evolution of a more suburban, service-dominated economy that places a premium on advanced academic training has severely constrained the employment prospects of many urban African Americans with limited education. *An American Dilemma Revisited* argues that there is hope to be found both in black educational institutions, which account for the largest proportion of advanced educational degrees among African Americans, and in the promotion of black community

# Get Free Chapter 25 D Reading American Society

enterprises. An American Dilemma Revisited asks why the election of many African American leaders has failed to translate into genuine political power or effective policy support for black issues. The rise in membership in Pentecostal and Islamic denominations suggests that many blacks, frustrated with the political detachment of more traditional churches, continue to pursue more socially concerned activism at a local level. Three essays trace social disaffection among blacks to a legacy of police and judicial discrimination. Mistrust of the police persists, particularly in cities, and black offenders continue to experience harsher treatment at all stages of the trial process. As Myrdal's book did fifty years ago, An American Dilemma Revisited offers an insightful look at the continuing effects of racial inequality and discrimination in American society and examines different

heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.
