Displacement by Development by  
Peter Penz

Displacement by Development: Ethics, Rights and Responsibilities lays out this impasse between pro- and anti-development positions, and works diligently to frame a common ground to overcome it. As a first step, the book defines what the opposing positions argue.

In the previous chapter we noted that conflicting meanings of

‘ development ’ have complicated resolution of conflict over

displacement. With this in mind, it is important for development ethics to approach this issue with a conception of development that is not biased a priori either against ‘ managerial ’ or ‘ movementist ’ orientations. At the same time, it needs to be noted that our ...
