The Millionaire Master Plan is a unique and fresh approach as to how individuals can not only get a sense of where they stand on the spectrum of personal wealth, but more importantly, how they can learn to ascend from their present state to a higher level. Roger James Hamilton, himself a highly successful entrepreneur and successful investor, has designed nine steps - from barely surviving - all the way to the highest level of ultimate wealth for life - and he lays out his nine steps in an easy-to-understand color-coded manner that ranges from red (barely living paycheck-to-paycheck) all the way to ultra-violet (where generating income is simply no longer a worry). Along the way, the reader first takes a quick test to determine where one is on the financial spectrum, and then Hamilton provides key insights and practical tips as to how one can progress to the next level. You track your progress by ascending from one color to the next.

conventional advice. After years of trial and error, I have developed a strategy and philosophy that simply works. And I want to share with you everything I have done to build this large nest egg. I have nothing to hide. The truth is that the path to wealth is not complicated, and you do not need to make millions to get there. Perfect for new real estate investors or first-time home-buyers. How to find a good deal, how to calculate profits and where to go for financing. We live in an extremely different marketplace now than when the first edition of Real Estate and Wealth: Investing in the American Dream was originally published. The initial volume served as an incredible resource for thousands of people, so bearing in mind the tremendous resurgence in the real estate market, real estate expert Sonia Booker felt that it was vital to offer this second, up to date best seller to make it relevant to financing and marketing changes in our current economic climate. This book offers a wealth of information, new topics and ideas with a particular appeal to first-time home buyers who are vacillating about their ability to purchase their "dream house". Sonia encourages her readers to begin by beginning... by purchasing a property with the intention of selling or renting the property and moving on up within a few years. A Portion of the Proceeds From This Book Go to Assist the Philanthropic Endeavors of Habitat for Humanity.
