Jean Baudrillard - The Conspiracy of Art The images from Abu Ghraib are as murderous for America as those of the World Trade Center in flames. The whole West is contained in the burst of sadistic laughter of the American soldiers, as it is behind the construction of the Israeli wall. This is where the truth of these images lies.

Art, the System of Objects, and Consumer Society Once he began his academic career in the mid-1960s, Baudrillard paid attention to art as an important and distinctive mode of objects since the beginning of his theoretical work. In his early studies of *The System of Objects* (1996 [1968]) and *The Consumer Society* (1998 [1970]) Baudrillard analyzed art objects as important artifacts in the system of objects which constitute everyday life.
