A goddess of the Underdark sets her sights on the famous drow who escaped her grasp in this continuation of the beloved Drizzt saga Having found a measure of peace among the dwarves in Mithral Hall, Drizzt Do'Urden begins to know contentment for the first time in his tumultuous life. Bruenor has reclaimed his throne, Regis has been freed from Artemis Entreri, and Wulfgar is to be wed. But for a dark elf renegade that hails from the Underdark—a city of ruthless drows, all ruled by priestesses of the demon goddess Lolth—no peace can last forever. It is Lolth herself, the dreaded Queen of the Demonweb Pits, who musters her followers to pour up from the black depths of the Underdark to reclaim the one soul that managed to elude her: the soul of Drizzt Do'Urden. The Legacy is the first book in the Legacy of the Drow series and the seventh book in the Legend of Drizzt series.

A legendary gift from the pen of R.A. Salvatore! This new four-book slipcase gift set includes the newly recovered mass market editions of The Legacy, Starless Night, Siege of Darkness, and Passage to Dawn. The Legend of Drizzt(TM) Boxed Set III replaces the existing Legacy of the Drow Gift Set and is a must have for existing Drizzt fans and readers who are just now discovering the greatest fantasy hero of our generation.

Dark Elf hero Drizzt Do'Urden finds the peace and prosperity of Mithral Hall--marked by Bruenor's reclaiming of his throne and the marriage of Wulgar and Carri-brie--shattered when his old enemies, including the Spider Queen Lolth, arrive to exact their r

The most popular character from the most popular fantasy world of all time comes to life in his first original comic book tale. Drizzt and his companion, Dahlia, hunt for something that seems part vampire and part elite dwarven warrior, and must find out how the evil lich Valindra Shadowmantle and her minion Korbin Dor'crae factor into the mystery.

Gods Walk the Realms! Rising up from the black depths of the Underdark, the drow once more meet the dwarves of Mithral Hall. Bruenor Battlehammer, with Drizzt at his side, won't go down without a fight--but they'll have to fight without Wulfgar or Catti-brie at their sides. From the Paperback edition.

Dungeons & Dragons: Forgotten Realms - Legends of Drizzt Omnibus Volume 1 delivers the first three graphic novel adaptations of R.A. Salvatore's beloved Dark Elf Trilogy - Homeland, Exile, and Sojourn - into one tome! This story takes readers from the moments before the birth of Drizzt to the point where he leaves his Drow heritage and homeworld, Menzoberranzan, the City of Spiders, and ventures up into the unknown.

The legend starts here! The Legend of Drizzt® 25th Anniversary Edition, Book I collects the first three novels in this best-selling series: Homeland, Exile, and Sojourn in a new trade paperback edition. A great value for anyone who's ready to experience the Legend of Drizzt. Drizzt Do'Urden made his first mistake the moment he was born: he was a boy. In the rigid matriarchy of the dark elf city of Menzoberranzan, that makes his life forfeit. But when his own mother tries but fails to kill him, Drizzt's path is set. He must find a way to escape the treacherous Underdark, even if that means setting out alone into the no less dangerous World Above.

Revenge and Resurrection in a Frozen Wasteland! Drizzt and Catti-brie have been away from Mithral Hall for six long years, but the pain of a lost companion still weighs heavily on their strong shoulders. Chasing pirates aboard Captain Deudermont's Sea Sprite is enough to draw their attention away from their grief. Then a mysterious castaway on an uncharted island sends them back to the very source of their pain, and into the clutches of a demon with vengeance on his mind. From the Paperback edition.

Return to the City of Spiders! Still reeling from the death of Wulfgar, Drizzt is allowed little time to grieve, for dark elves are massing in the caverns deep under Mithral Hall. To protect his adopted home, he'll have to return to the city of his birth, the evil City of Spiders. Menzoberranzan is one of the most dangerous places in the already perilous Underdark on a good day, but for Drizzt, a renegade with a price on his head, its certain death ever to set foot there again. But Drizzt Do'Urden and his companions have faced certain death before, and will gladly spend their lives for the sake of the dwarves of Mithral Hall.

ONE DARK ELF. TWO ENCHANTED BLADES. ONE UNKNOWN ENEMY. AND A HORDE OF INVADERS. When a blood-thirsty banc of orcs led by an as-yet-unseen enemy, comes rampaging out of the Spine of the World, it lays waste to everything in its path. Dark elf ranger Drizzt Do'Urden and his most trusted friends find themselves in the path of destruction. As blades slash and feet trample, even the heroes may not survive a desperate stand.
