Songolis, an upstanding family of African immigrants. But hidden within the cellar is Muna—a teenage girl who cooks for them, cleans for them, endures brutal abuse from them . . . and is powerless to escape. Then one day, the Songolis' ten-year-old son fails to come home from school, and Scotland Yard arrives at the house to investigate. While they look into the boy's disappearance, Muna must play the role of beloved daughter. She suddenly has a real bedroom, with sunlight, and real clothing to wear. But she must continue to keep quiet—and hide the fact that she has learned how to speak English. Even as

the police are watching, her secret life of enslavement goes on. But Muna is hatching a plan—and her acts of rebellion and revenge will be more terrifying than this family could have imagined—in this dark, twisting tale that represents “contemporary crime writing at its absolute peak” (Val McDermid).

In this hypnotic novel of psychological suspense, a homeless man is found starved to death in the garage of a ritzy London home. The police chalk it up to an unfortunate accident, but a journalist, Michael Deacon, is intrigued. Amanda Powell, a socialite

has been called off or that her former fiancé and his girlfriend have been brutally murdered in the same way her first husband had been ten years before. Now she must try to piece together her memories in order to determine her innocence. With deft psychological explorations and shocking twists, Walters brings the story to an awe-inspiring conclusion.

For most, the Black Death is the end. For a brave few, it heralds a new beginning. Widowed by her husband's death from the pestilence, Lady Anne assumes control of his

people's future—200 bonded serfs without rights of ownership to land. Strong, compassionate and resourceful—qualities she kept hidden from the husband she loathed and despised—Lady Anne chooses a bastard slave, Thaddeus Thurkell, to act as her steward. Together, they decide to quarantine Develish by bringing the serfs inside a defendable moat and sharing the available food amongst all. With this sudden overturning of the accepted social order, where serfs exist only to serve their lords, conflict arises when they're given a voice. Ignorant of what is happening in the world outside, they wrestle

conclusion to The Scold's Bridle As the year 1349 approaches, the Black Death continues its devastating course across England. In Dorsetshire, the quarantined people of Develish question whether they are the only survivors. Guided by their beloved young mistress, Lady Anne, they wait, knowing that when their dwindling stores are finally gone they will have no choice but to leave. But where will they find safety in the desolate wasteland outside? One man has the courage to find out. Thaddeus Thurkell, a freethinking, educated serf, strikes out in search of supplies and news.
