This will take you to a page which contains documents as well as links to podcasts which might be helpful to you in your journey. This page is not affiliated with Overeaters Anonymous.

### OA Big Book

The documents represent the views of a number of Overeaters Anonymous (OA) members who use the Big Book as a set of directions for working the Twelve Steps. The Step 4 forms and the Step 11 form were originally produced by Blaine D. of Winnipeg, Canada, who has graciously consented to their use; they have been slightly modified.

The Big Book OA stands for the proposition that the Twelve Steps give us freedom from the bondage of food. If the steps aren't working for you, then maybe you're not working the steps in a way that works for you. It might therefore be worth it to try the approach to the steps used in this step study, based on the Big Book.

Joe and Charlie Big Book Study Recordings. When sober people talk about the program, the two most common names you'll hear tossed around are, of course, Bill and Bob. But there's another duo that are spoken about with nearly equal reverence: Joe McQ and Charlie P, a team of two men (who died in 2007 and 2011, respectively) known as Joe and ...

H. Remember that in the context of the Big Book, "selfish" doesn't just mean "wanting things my way for my own benefit"; it means "wanting things my way for other people's benefit" as well. You can be selfish wanting only the best for other people, at least in the context of the Big Book. You are selfish if you want to play God.

This is an updated version (January 2014) of the popular OA Big Book study guide written by Lawrie C. It is reproduced (printed and bound) and offered for sale under the author's terms as a service to OA members. This is an updated version (January 2014) of the popular Big Book study guide written by Lawrie C. It is reproduced (printed and bound) and offered for sale under the author's terms as a service to compulsive overeaters. This book is not published by Overeaters Anonymous nor is it OA Conference Approved literature for use in Overeaters Anonymous meetings. Reproduction for sale at a price above cost of is a violation of the author's terms and copyright.

Explains the twelve steps of Overeaters Anonymous, its program of recovery for food addiction, and the twelve traditions, the principles that guide its groups and services.

Written to be used in conjunction with, not instead of the "Big Book of Alcoholics anonymous." This book will help guide you through a personal experience with all "Twelve Steps" as they are outlined in the "AA Big Book." You write notes and questions from the "Big Book Awakening" into your own "Big Book" for personal consideration. After you have completed this process yourself your "Big Book" is now a powerful "working with others book" with questions and considerations that will help you work with others both one-on-one and in workshops. They them selves write the same notes into their own "Big Book" to one day do the same.

This is a twelve-step guide to the AA Big Book for compulsive overeaters written by an OA member and reproduced under the author's terms. This is a 5x9 edition with smaller print than the original. An 8 1/2x11 inch version with larger print is also available on Amazon.

Herb K., who is also the author of "Twelve Step Guide to Using the Alcoholics Anonymous Big Book", continues sharing his insights to the Twelve Steps by explaining the how and why, using his own experience along with traditional and universal spiritual wisdom. This book illuminates a path from the dark world of alcoholism and brokenness to a life of peace, purpose and fulfillment. Herb K. leads Twelve Step workshops, retreats and teaches spirituality and recovery throughout the U.S. and the world.

A concise introduction to the basics of open access, describing what it is (and isn't) and showing that it is easy, fast, inexpensive, legal, and beneficial. The Internet lets us share perfect copies of our work with a worldwide audience at virtually no cost. We take advantage of this revolutionary opportunity when we make our work "open access": digital, online, free of charge, and free of most copyright and licensing restrictions. Open access is made possible by the Internet and copyright-holder consent, and many authors, musicians, filmmakers, and other creators who depend on royalties are understandably unwilling to give their consent. But for 350 years, scholars have written peer-reviewed journal articles for impact, not for money, and are free to consent to open access without losing revenue. In this concise introduction, Peter Suber tells us what open access is and isn't, how it benefits authors and readers of research, how we pay for it, how it avoids copyright problems, how it has moved from the periphery to the mainstream, and what its future may hold. Distilling a decade of Suber's influential writing and thinking about open access, this is the indispensable book on the subject for researchers, librarians, administrators, funders, publishers, and policy makers.
