## **Problem & Solution Strategy Series! – Miss DeCarbo**

Problem and Solution is a pattern of organization where information in a passage is expressed as a dilemma or concerning issue (a problem) and something that was, can be, or should be done to remedy this issue (solution or attempted solution). The problem and solution text structure may seem like it would be easy to recognize, but it can be moderately difficult to identify because it is frequently confused with the cause and effect pattern of organization, as they both have relational ...

used to organize every text regardless of genre (e.g., expository, narrative) or content (e.g., science, social studies, current events, sports). In expository texts such as history, events can be studied using a cause and effect structure nested within a sequence of events.

## **Implementing the Text Structure Strategy ... - Reading Rockets**

Then, your students will interact directly with the text as they color-code and identify the problem and solution within the passage. Finally, students will illustrate the passage to demonstrate their overall comprehension of the story. The pack contains problem and solution posters and smaller posters that contain visual aides to help students remember and utilize the color-coding strategy as they identify the problem and solution.

## **Problem and Solution Reading Passages by Miss DeCarbo | TpT**

Developing strong reading skills in students is one of the key goals of every early education program. It is through reading that students expand their vocabulary and learn about the world. Reading is also the key to success in spelling and writing. And while 6 and 7-year-olds are fluent speakers, they require instruction in how to navigate print.
