Public Relations Writing: Principles in Practice is a comprehensive core text that guides students from the most basic foundations of public relations writing—research, planning, ethics, organizational culture, law, and design—through the production of actual, effective public relations materials. The Second Edition focuses on identifying and writing public relations messages and examines how public relations messages differ from other messages.

With a wealth of illustrations, examples, and practice assignments, this book covers every key PR document needed on the job: press releases, PSAs, annual reports, newsletters, magazines, trade journals, brochures, print ads, and speeches and presentations.

Aimed at students of public relations, this second edition provides practical writing instruction for those preparing to enter the public relations profession. It uses a process approach to address a variety of writing formats and circumstances.

A handbook about writing for media relations.
