Manual  
TV we reviewed some weeks ago, it's time to

look at a more

affordable option from

the company's new A

series. The model in

question is the 40-inch

LA40A550P1. This is

commonly called Series

5, and falls in the under-

a-lakh category.

Purchased as a gift for my mom. Unfortunately two other Samsung 43 inch TV's she has owned lost picture but have sound. Samsung says it's a "factory defect". Keeping my fingers crossed this doesn't happen again. This is a decent TV for the size and price.
