## The Dullard and other Stories

A monkey and a crocodile are good friends. However, the friendship gets spoiled. Who betrays whom?

How do the three little fish behave when fishermen come to their little pond? Are they ready to stay or leave? Read this colourful book to find out.

First recorded 1500 years ago, but taking its origins from a far earlier oral tradition, the Pancatantra is ascribed by legend to the celebrated, half-mythical teacher Visnu Sarma. Asked by a great king to awaken the dulled intelligence of his three idle sons, the aging Sarma is said to have composed the great work as a series of entertaining and edifying fables narrated by a wide range of humans

and animals, and together intended to provide the young princes with vital guidance for life. Since first leaving India before AD 570, the Panchatantra has been widely translated and has influenced a vast number of works in India, the Arab world and Europe, including the Arabian Nights, the Canterbury Tales and the Fables of La Fontaine. Enduring and profound, it is among the earliest and most popular of all books of fables.

The Panchatantra is a collection of folktales and fables that were believed to have been originally written in Sanskrit by Vishnu Sharma more than 2500 years ago. This collection of stories features animal characters which are stereotyped to associate certain qualities with them. The origins of the Panchatantra lie in a tale of its

own, when a King approached a learned pandit to ask him to teach the important lessons of life to his ignorant and unwise sons. This learned scholar knew that the royal princes could not understand complex principles in an ordinary way. So, he devised a method wherein he would impart important knowledge in the form of simple and easy-to-understand folktales.
