Overview. In this, the third entry in the Book of Deacon Series, Miranda and the Chosen face their greatest challenges yet. Time is running out, and the Generals are growing desperate. Through victory and defeat, reunion and betrayal, neither the heroes nor their foes will rest until they have seen their task through to the end.

~~The Battle of Verril by Joseph R. Lallo, Paperback ...~~

The Battle of Verril is a classic way to wrap up this amazing journey. The Book of Deacon trilogy brings together fantasy and fairytale, magic and myth, mystery and intrigue and the writing is simply wonderful. The description that Mr. Lallo uses in his writing is something to be envied.

~~The Battle of Verril (The Book of Deacon, #3) by Joseph R ...~~

The book sees the Chosen united and fighting the D'Karon through a series of battles, finally peaking in the battle just outside of Verril - the Northern capital. Miranda remains a willing but at the same time reluctant protagonist - willing in the sense that she is adamant to end the war, reluctant in the sense that she still often finds it hard to do what has to be done.

The Battle Of Verril is the last book in the Book Of Deacon series, and only available on the Kindle or NOOK. It follows the story of Myranda and her fellow Chosen in their race against time to save the North. Although still worth buying and reading, I didn't enjoy this final installation quite as much as the first two.

~~Listen to The Battle of Verril Audiobook by Joseph R ...~~

review 1: The Book of Deacon is the first in a three-year series by Joseph Lallo, followed by The Great Convergence then The Battle of Verril. I loved this series dearly and will miss not knowing what happens next. You can never read something the first time again. Lallo has a special talent when it comes to keeping you on your toes as you go on.

The Battle of Verril By: Joseph R. Lallo Narrated by: Karyn O'Bryant

In this, the finale of the Book of Deacon Trilogy, Miranda and the Chosen face their greatest challenges yet. Time is running out, and the Generals are growing desperate. Through victory and defeat, reunion and betrayal, neither the heroes nor their foes will rest until they have seen their task through to the end. The only question is, will it be the end of a war, or the end of times?

The Book of Deacon is the first book of The Book of Deacon series by Joseph R. Lallo. Miranda Celeste's world has been built on a legacy of bloodshed. For more than a century, her homeland the Northern Alliance has fought the Kingdom of Tressor in what has come to be known as the Perpetual War. While her people look upon the conflict with reverence, Miranda's hate for the war has made her an outcast. When she finds a precious sword among the equipment of a fallen warrior, she believes her luck may have changed. Little does she imagine that the treasure will draw her into an adventure of wizards and warriors, soldiers and rebels, and beasts both noble and monstrous. The journey will teach her much about her potential, about the origins of the war, and about the threat her world truly faces. Will Miranda unlock the secret of bringing peace once and for all, or will the world be lost to the Perpetual War?

The Book of Deacon Saga is the epic tale of a world besieged by war and at the mercy of dark forces who would see the land and its people wither and die. First Published in 2010, the story has grown significantly, expanding the story into earlier and later eras, exploring the lives of characters both minor and major. The Book of Deacon Anthology is a collection of all currently published stories in the setting: The Book of Deacon - The tale of Miranda Celeste, a young woman orphaned by a century long war, and her chance discovery of a fallen soldier's priceless cargo. The find will change her life, sending her on an adventure of soldiers and rebels, wizards and warriors, and beasts both noble and monstrous. Each step will bring her closer to the truth of her potential, of the war, and of the fate of her world. The Great Convergence - The second in the Book of Deacon series, The Great Convergence continues the tale of young Miranda Celeste. With fresh knowledge of magic and steadfast resolve to see the end of the war that plagues her land, Miranda sets out to find and unite the five fated heroes, the Chosen. Each new warrior brings her world a step closer to peace, but does she have the strength to survive the trials ahead? The Battle of Verril - In this, the finale of the Book of Deacon Trilogy, Miranda and the Chosen face their greatest challenges yet. Time is running out, and the Generals are growing desperate. Through victory and defeat, reunion and betrayal, neither the heroes nor their foes will rest until they have seen their task through to the end. The only question is, will it be the end of a war, or the end of times? Jade - This short novel, set after the events of The Book of Deacon, follows the blessed and cursed life of Jade Rinton. Stripped of her family and kept in a tall tower by a fierce dragon due to the scheming of a mysterious stranger, Jade seems to be living in a twisted fairy tale. She soon learns, though, that fate has its own ideas of who should play each part, and that family is where you find it. The Rise of the Red Shadow - Before he was a legendary assassin and mythic hero, the creature known as Lain was just a simple malthrope, frightened and alone. The Rise of the Red Shadow tells the story of his tragic youth, beginning with his days on a plantation in Tressor and following him through the painful tragedies and thrilling trials that would one day lead him to greatness in the pages of The Book of Deacon. Entwined Origins: Ayna - AVAILABLE FOR THE FIRST TIME. The story of Ayna, a young fairy who is cruelly taken from her family, yet finds that this tragedy may have given her the opportunity to become more than she'd ever dreamed. The Stump and the Spire - Previously only available as part of the Neverland's Library anthology, The Stump and the Spire is the story of two children who gain a dark glimpse into the long forgotten past of their world. --- For fans of the series looking to fill in the gaps, or for new readers hoping to gather the whole series, The Book of Deacon Anthology is a great way to catch up on the whole saga. Each book is updated with improved formatting, as well as a brief foreword by Joseph R. Lallo, and even a message from the mysterious curator who collected the stories. Read it now and be ready for The D'Karon Apprentice, a new Book of Deacon story releasing November 12th, 2015.

The second in the Book of Deacon series, The Great Convergence continues the tale of young Miranda Celeste. With fresh knowledge of magic and steadfast resolve to see the end of the war that plagues her land, Miranda sets out to find and unite the five fated heroes, the Chosen. Each new warrior brings her world a step closer to peace, but does she have the strength to survive the trials ahead?

Every story must begin somewhere. For the warrior who would come to be known as the fearsome Red Shadow, the story began in a forgotten glade deep in the land of Tressor. It was there that a pair of trackers, eager to retrieve a lost slave, instead found an orphaned malthrope. Had it been a human, it might have been treated with compassion, but in the eyes of human society a malthrope was a monster, a mix of fox and man believed to be a murderer and thief by its very nature. The beast was to be sold for a handful of silver, but fate intervened in the form of an old blind slave named Ben. Under the learned hand of the one human who believed in his potential, the young malthrope would instead be given the wisdom to take his first steps on the long journey to his destiny. The Rise of the Red Shadow chronicles the early life of one of the most mysterious figures of the The Book of Deacon trilogy,

the creature called Lain. It tells of his years working and learning on a Tresson plantation until a dark day of vengeance and bloodshed finally set him free. From there you will follow as he finds his place in the world, learning what it is to be a malthrope, and turning to the purpose that will guide him for the rest of his days. It is a story of love, hate, and lessons hard-learned, revealing the painful choices one must make to become the hero the world needs.

The islands of Caldera are a shining jewel in a rather bleak world. A terrible calamity in the past had blanketed much of the world with a toxic "fug." Those who survived were forced to take to the mountains and the skies in wondrous airships. Life has since been a struggle, with only the most ruthless and crafty able to survive. To spare themselves the same fate, the Calderans erected a battery of guns to fend off the airships of the mainland. They isolated themselves from the madness of the world, choosing instead to focus on the pursuits of art and creativity. Few believe the technologically advanced but socially barbarous outsiders have anything to offer. Amanita Graus, though, is hoping that they do. Nita's mother has lost her livelihood and perhaps soon her life to a terrible disease. Already the black sheep of the family for embracing engineering rather than art, Nita resolves to leave the safety of her home and do whatever it takes to find a cure. For a price, the bizarre crew of an airship called The Wind Breaker are willing to grant her a meeting with their mysterious benefactors, and thus a chance to procure the one thing with a chance to save her mother. Free-Wrench follows Nita's adventures in a steampunk world of airships and lunatics. Helping her in her journey are an eccentric crew of smugglers; the gruff Cap'n Mack, the simple but enthusiastic Lil and Coop, the arrogant marksman Gunner, the surly surgeon Butch, and the irritable mascot Wink. To survive and find what she seeks she'll need to earn their trust, follow their rules, and meet face to face with the people who pull the strings of their society.

1888. A little girl called Mirror and her shape-shifting guardian Goliath Honeyflower are washed up on the shores of Victorian England. Something has been wrong with Mirror since the day her grandfather locked her inside a mysterious clock that was painted all over with ladybirds. Mirror does not know what she is, but she knows she is no longer human. John Loveheart, meanwhile, was not born wicked. But after the sinister death of his parents, he was taken by Mr. Fingers, the demon lord of the underworld. Some say he is mad. John would be inclined to agree. Now Mr Fingers is determined to find the little girl called Mirror, whose flesh he intends to eat, and whose soul is the key to his eternal reign. And John Loveheart has been called by his otherworldly father to help him track Mirror down... File Under: Fantasy [ Shapes Shifting / Inside the Clock / A Tasty Little Girl / 12 Dancing Princesses ]

WAR AND MADNESS CAST SHADOWS OVER THE LANDS DRAGONS ONCE RULED. Geder Palliako's star is rising. He is a hero of Antea, protector to the crown prince, and darling of the court. But storms from his past are gathering, and with them, a war that will change everything. Cithrin bel Sarcour founded a powerful bank on stolen wealth, forged papers, and ready blades. Now every move she makes is observed, recorded, and controlled. Unless Cithrin can free herself from her gilded cage, the life she made will be for naught; war may provide just the opportunity she needs. An apostate priest sees the hidden hand behind all: a long-buried secret of the dragon empire threatens everything humanity has built. An age of madness and death approaches, with only a few doomed heroes to stand in its way. The D'Karon Apprentice is the long awaited sequel to the acclaimed epic fantasy, The Book of Deacon Trilogy. It is a direct follow up to The Battle of Verril. It has been months since the Chosen finally defeated the D'Karon and the Perpetual War came to an end. Once warriors, Miranda, Deacon, Ivy, and Ether must now take on the role of diplomats in the ongoing task of preserving the unsteady peace between the lands of Tressor and the Northern Alliance. Generations of war have left a deep distrust between the people on both sides of the border, and any sign of treachery or hostility could cause a new war to flare. If that happens, the weakened Northern Alliance will have little hope to survive against the military might of their neighbor to the south. A mysterious figure, long slumbering and forgotten, has stirred in the wake of the Chosen triumph. She is not pleased to find the D'Karon no longer answer her calls, and she sets out to find them once more. This woman, a powerful necromancer with deep knowledge of D'Karon magic and little concern for the world and its people, spreads chaos wherever she goes. Her bloody swath through the southern lands is just the spark the volatile world needs to take to flame once more. To keep their lands from descending back into a war that will claim the lives of untold thousands, Miranda, Deacon, and Myn must venture into the heart of Tressor. Escorted by a Dragon Rider named Grustim and surrounded by fear and distrust, the road ahead will not be difficult, but the chosen have fought too hard and lost too much to lose it all to this dark apprentice...

Fate of the Fallen is the start of a brand new adventure from New York Times bestselling author Kel Kade Not all stories have happy endings. Everyone loves Mathias. Naturally, when he discovers it's his destiny to save the world, he dives in head first, pulling his best friend Aaslo along for the ride. However, saving the world isn't as easy, or exciting, as it sounds in the stories. The going gets rough and folks start to believe their best chance for survival is to surrender to the forces of evil, which isn't how the prophecy goes. At all. As the list of allies grows thin, and the friends
