Michael returns to fulfill a promise to his love, but the world isn't the same place. Michael, the Archangel himself, has returned after a hundred and fifty years rejuvenating in the Etheric Dimension. Now, the most powerful male Vampire the world had ever known is back. The problem? The world went through an Apocalypse and what little honor and justice that previously existed, is gone. Further, his love has left to the stars somewhere, fighting for those on Earth. Now, Michael has to figure out where he is, where

he needs to go, help those who need help and figure out how to follow in his love's path. Because if there is one thing that Honor Demands, it is that he make good on his promise to Bethany Anne. Those feeding themselves on the backs of others have very little time to realize an important fact. This Dark Messiah has little compunction about killing.

It's been three years Bethany Anne and her team have been building, trying their best to stay off the radar and not fight with those they are trying to save. The emotions have

Those that thought the cat didn't have claws are about to find out how very, very wrong they are. \*\*Please note, as mentioned in a review, there is flagrantly foul language in these novels. The great futuristic society of I-Star has long foretold the coming of a female with a gem embedded in her forehead. Known as the Dark Messiah, this woman possesses magical powers that will bring about the destruction of life as they know it. When a young Cassidy awakens inside an enchanted cave, she has no memory of how she came to be in this strange place. She starts to build a life for herself in the modern, utopian world of I-Star. The

odd red crystal in the middle of her forehead disturbs her, as no one else in the community of Jennison has such a marking. Cassidy soon catches the attention of a mysterious sorcerer, Dmitri von Calvin, who recognizes her as the Dark Messiah and wishes to harness her power for destructive ends. Cassidy learns of the sorcerer's evil agenda and the prophecy of the Dark Messiah. Rather than fulfill her role as a life destroyer, Cassidy makes a decision to stand and fight against the destruction of her beloved world. An epic fantasy full of larger-than-life characters, Legend of the Dark Messiah speaks to the

incredible power of one individual to change the world.

After a controversial American priest is elected pope, archaeologist Jack Cane and an Israeli agent must find a mysterious Dead Sea Scroll which references two messiahs, a prophecy which is causing a political and religious crisis and placing their lives in danger.

Dark Messiah takes place in the not so distant future, as firefighter Griffin DeSanto finds himself a man out of time,

stumbling into a harsh world of poverty, automation, and subjugation. Technology rules and a tech empire built on suffering keeps the population in check through surveillance and mechanized policing. Though lost, Griffin is never alone. He was brought here for a reason, and The Vengeful One is his guide.

Book Two in the Magnificent Dune Chronicles--the Bestselling Science Fiction Adventure of All Time Dune Messiah continues the story of Paul Atreides, better known--and feared--as the man christened Muad'Dib. As Emperor of the known universe, he possesses

more power than a single man was ever meant to wield. Worshipped as a religious icon by the fanatical Fremen, Paul faces the enmity of the political houses he displaced when he assumed the throne--and a conspiracy conducted within his own sphere of influence. And even as House Atreides begins to crumble around him from the machinations of his enemies, the true threat to Paul comes to his lover, Chani, and the unborn heir to his family's dynasty...
