Amazon.com: The Debt Trap: How leverage impacts private ...

Such it is with debt which inflates the balance sheet, but, applied to excess, can impair or even cripple it, exacting much for the few, and little for the many. This is the central theme of Sebastian Canderle's *The Debt Trap*, an examination of private equity deals through the prism of fourteen case studies taken from recent financial history.

Amazon.com: The Debt Trap: How leverage impacts private ...

"The Debt Trap dissects the dealmaking that undergirds leveraged buyouts and provides an essential road map to the many ways that this has changed since the 2008 financial crisis. Detailed examinations of high-profile buyouts demystify the excessively risky and opaque means that PE firms use to acquire companies."---

The Debt Trap: How leverage impacts private-equity performance. This is the inside story of private equity dealmaking. Over the last 40 years, LBO fund managers have demonstrated that they are good at making money for themselves and their investors.

The Debt Trap: How leverage impacts private-equity ...

Through 14 business stories, all emanating from the noughties' credit bubble and including headline-grabbing names like Caesars, Debenhams, EMI, Hertz, Seat Pagine Gialle and TXU, *The Debt Trap* shows how, via controversial practices like quick flips, repeat dividend recaps, heavy cost-cutting and asset-stripping, leveraged buyouts changed, for better or for worse, the way private companies are financed and managed today.

The Debt Trap : How Leverage Impacts Private-Equity ...

Debt-trap diplomacy is carried out in bilateral relations, with a powerful lending country seeking to saddle a borrowing nation with enormous debt so as to increase its leverage over it. Authored by Brahma Chellaney in early 2017, the concept of debt-trap diplomacy has grown into "something approaching conventional wisdom." The term has been widely used in recent years, including by world ...

Debt-trap diplomacy - Wikipedia

Managers exact their cut, pawns in the leverage game, CEOs and top brass get sacked. Shadow capitalism runs amok for the benefit of the few in the land of the fee. Its nefarious reverberations on companies and the economy notwithstanding, the practice is far more nuanced as the case studies in *The Debt Trap* make clear.

Avoiding the Leverage Trap Leverage, as a corporate word, refers to debt or to the borrowing of funds to finance the acquisition of inventory, equipment and other company assets. Business possessors can use either debt or equity to finance or buy the company’s possessions.

Avoiding the Leverage Trap | Complete Controller

Liquidity Trap and Excessive Leverage Anton Korinek Alp Simsek October 2013 Abstract We investigate the role of debt market policies in mitigating liquidity traps driven by delever-aging. When constrained agents engage in deleveraging, the interest rate needs to fall to induce unconstrained agents to pick up the decline in aggregate demand.
