## **The Politics of Ethnic Nationalism (African Studies ...**

The central political tenet of ethnic nationalism is that ethnic groups can be identified unambiguously, and that each such group is entitled to self-determination. The outcome of this right to self-determination may vary, from calls for self-regulated administrative bodies within an already-established society, to an autonomous entity

### **Nationalism and Ethnic Politics - ResearchGate**

Political culture matters in how COVID-19 is shaping nationalism: it is the nation's cultural and political characteristics that are driving the emergent dynamics of conflict. These dynamics are not necessarily marching us down a path towards interstate violence, but they are making existing ethnic divisions within and between nations more salient.
