If you plan to begin your course at 1200 C.E., we have a Ways of the World for you! This brand new brief edition combines the thorough examination of significant historical trends, themes, and developments that Strayer/Nelson is known for, but opens with an entirely new "Part One" written specifically for this new course. By first setting the stage of world history at 1200 C.E., Strayer and Nelson provide a thoughtful and insightful commentary that helps students see the big picture of the 1200 start date and models historical thinking and writing throughout. Like the complete fourth edition, this briefer volume is even more focused on the needs of AP® students, with AP® Skills Workshops, DBQ-aligned Working with Evidence features, and more opportunities for students to hone their AP® skills and practice for the exam. Whether you move to a 1200 start date or continue to teach the full course, we have the market-leading book for you!

Exploring Literature invites students to connect with works of literature in light of their own experiences and, ultimately, put those connections into writing. With engaging selections, provocative themes, and comprehensive coverage of the writing process, Madden's anthology is sure to capture the reader's imagination. Exploring Literature opens with five chapters dedicated to reading and writing about literature. An anthology follows, organized around five themes. Each thematic unit includes a rich diversity of short stories, poems, plays, and essays, as well as a case study to help students explore literature from various perspectives.

The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

The most-trusted and most-respected text in its field is now brand-new in all the best ways.

Explorations of Literature Student Text (4th ed.) presents a compilation of stories, poems, and essays from a variety of authors and genres grouped by theme to develop critical thinking skills. Vocabulary glosses explain unfamiliar words within the literature selections. Thinking Zone pages throughout the book ask questions to encourage the student to think about literature in at least four ways: comprehension, interpretation, analysis, and appreciation. In addition to teaching literary terms, these questions also develop the students' abilities to respond biblically to literature. Unit reviews provide additional review questions to prepare students for quizzes and tests. Teach your students to analyze literature in light of God's Word, and give them an enjoyment of literature that they will take with them beyond the classroom. Following each literature piece, Thinking Zones teach literary terms and foster critical thinking through specific questions that require more than mere recall. Students must interpret, analyze, and evaluate what they have read. Unit reviews, using a variety of question types, prepare the student to be successful on unit tests. - Publisher.

This comprehensive study offers a thematic approach to Latin America, focusing on the dynamic connections between people, places, and environments rather than on pre-defined notions about the region. The book's well-rounded and accessible analysis includes discussions of borders and migration; transnationalism and globalization; urbanization and the material, environmental and social landscapes of cities; and the connections between economic development and political change. The authors also explore social and cultural themes such as the illegal drug trade, tourism, children, and cinema. Offering a nuanced and clear perspective, this book will be a valuable resource for all those interested in the politics, economy, and society of a rapidly globalizing continent. Contributions by: Fernando J. Bosco, J. Christopher Brown, James Craine, Altha J. Cravey, Giorgio Hadi Curti, James Hayes, Edward L. Jackiewicz, Thomas Klak, Mirek Lipinski, Regan M. Maas, Araceli Masterson-Algar, Kent Mathewson, Sarah A. Moore, Linda Quiquivix, Zia Salim, Kate Swanson, and Benjamin Timms.

Since the publication of the first edition in 1977, Africa has established itself as a leading resource for teaching, business, and scholarship. This fourth edition has been completely revised and focuses on the dynamism and diversity of contemporary Africa. The volume emphasizes contemporary culture—civil and social issues, art, religion, and the political scene—and provides an overview of significant themes that bear on Africa's place in the world. Historically grounded, Africa provides a comprehensive view of the ways that African women and men have constructed their lives and engaged in collective activities at the local, national, and global levels.

Offers a survey of the major literary themes and a collection of in-depth analyses of how these themes operate in individual literary works.

SOON TO BE A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, *Bangkok 8*). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.
