"Trust Me I'm Dr. Ozzy" is a fun book to read. It is a collection of questions and answers that were presented to Ozzy and published in a newspaper originally. Ozzy offers all kinds of his own brand of 'advice' to those who seek it. It is a humorous book and reads well as Ozzy has an outlook on life that only he could have. Along with the humor, Ozzy does tell people that they should consult a ...

By rights, Ozzy Osbourne should not be alive. He spent 40 years on a hell-raising, bat-biting, ant-snorting\*, drink and drug-fuelled bender. He broke his neck going two miles an hour on a quad bike and died twice in a chemically induced coma. And yet - at 62 years old - he is healthier and happier than ever.

In Trust Me, I'm Dr. Ozzy, Ozzy replies to readers' questions with his outrageous wit by going deep into his past to tell memoir-style survival stories never published before Ozzy explains how he became one of the few people in the world to have his entire DNA mapped in 2010 "The trouble is, it's so easy to things out of proportion.

Trust Me, I'm Dr. Ozzy: Advice From Rock's Ultimate ... Trust Me, I'm Dr. Ozzy. 1,732 likes. Trust Me, I'm Dr. Ozzy is out now!

Wondering if science could explain how he survived his 40-year avalanche of drugs and alcohol, Ozzy Osbourne became one of a handful of people in the world to have his entire DNA mapped in 2010. It was a highly complex, \$65,000 process, but the results were conclusive: Ozzy is a genetic anomaly. The "Full Ozzy Genome" contained variants that scientists had never before encountered and the findings were presented at the procedure was in part sponsored by The Sunday Times of London, which had already caused an international fururoe by appointing Ozzy Osbourne its star health advice columnist. The newpaper argued that Ozzy's mutliple near-death experiences, 40-year history of drug abuse, and extreme hypocondria qualified him more than any other for the job. The column was an overnight hit, being quickly picked up by Rolling Stone to give it a global audience of millions. In TRUST ME, I'M DR. OZZY, Ozzy answers reader's questions with his outrageous wit and surprising wisdom, digging deep into his past to tell the memoir-style survival stories never published before-and offer guidance that no sane human being should follow. Part humor, part memoir, and part bad advice, TRUST ME, I'M DR. OZZY will include some of the best material from his published columns, answers to celebrities' medical questions, charts, sidebars, and more.

Let's face it: your GP has never swallowed a bumble bee at 70mph; been declared clinically dead (twice); presided over The Most Dysfunctional Family in Western Civilisation; endured weeks of rabies injections (thanks to a misunderstanding with a bat); received a mistaken diagnosis of Parkinson's Disease; broken his neck in a quad bike accident; survived a (near) direct hit by a plane; or personally tested every drug known to boyfriend, to men who burst inexplicably into tears during urination? Actually . . .there are lots of very good reasons not to do this. Please don't let them stop you. Based on his runaway hit columns in the Sunday Times and the most entertaining consultation you'll ever have.

"They've said some crazy things about me over the years. I mean, okay: 'He bit the head off a bat.' Yes. 'He bit the head off a dove.' Yes. But then you hear things like, 'Ozzy went to the show last night, but he wouldn't perform until he'd killed fifteen puppies . . .' Now me, kill fifteen puppies? I love puppies. I've got eighteen of the f\*\*king things at home. I've killed a few cows in my time, mind you. And the chickens in my house that night. It haunts me, all this crazy stuff. Every day of my life has been an event. I took lethal combinations of booze and drugs for thirty f\*\*king years. I survived a direct hit by a plane, suicidal overdoses, STDs. I've been accused of attempted murder. Then I almost died while riding over a bump on a quad bike at f\*\*king two miles per hour. People ask me how come I'm still alive, and I don't know what to say. When I was growing up, if you'd have put me up against a wall with the other kids from my street and asked me which one of us was gonna make it to the age of sixty, which one of us wouldn't have put money on me, no f\*\*king way. But here I am: ready to tell my story, in my own words, for the first time. A lot of it ain't gonna be pretty. I've done some bad things in my time. I've always been drawn to the dark side, me. But I ain't the devil. I'm just John Osbourne: a working-class kid from Aston, who quit his job in the factory and went looking for a good time."

The TV personality reflects on lessons learned throughout her unconventional life as the middle child of music legend Ozzy Osbourne, describing her transformation from a perceived unattractive misfit to her signature "lavender swan" identity.

All Aboard the Crazy Train This is Ozzy Osbourne in all his raw and unfiltered glory; four decades worth of his best quotes, oddest observations, risqué retorts, and yes, even articulate ponderings. Ozzy might come across as a nutter (and rightly so), but when you sit down and seriously consider what he's saying...well, he's f\*\*king Ozzy Osbourne and he's got things to say! The Prince of Darkness sounds off on various topics including: Black Sabbath: "We thought, Let's scare the whole f\*\*king planet with music." Drugs and Alcohol: "I was always a miserable drunk." Rehab: "I still take medication, but not for fun." Himself: "I don't know who Ozzy is. I wake up a new person every day." The Wit & Wisdom of Ozzy Osbourne reveals Ozzy's philosophy of life and reflects the spirit of the man who made Black Sabbath famous, Christian groups frightened, and The Osbournes-a hit reality TV show.

'Vintage Sharon . . . fiery and passionate' - HEAT 'The formidable Mrs O is just as honest and open in this second instalment of her life story as the first . . . a real page-turner' - WOMAN 'Shazza goes even deeper to reveal the secrets behind the headlines' - LOOK 'Like Extreme, Survivor is eye-wateringly frank, and very funny' - EVENING STANDARD Sharon Osbourne's life has always been full of drama, heartbreak and passion. When she completed her bestselling first book, Extreme, she had hoped to find some peace and stability after her rollercoaster years. It was not to be. In Survivor, her brand-new memoir, she reveals what really happened next. From famous celebrity feuds, to her eventful experiences on The X Factor, to her turbulent relationship with her father and the tragic impact of his death, Sharon remains as frank and insightful as ever. Never afraid to admit to her own problems, she is brutally honest about her weight issues and plastic surgery. And she describes movingly how her husband's unconditional love finally brought her true happiness, even amidst all the chaos of her life.

Karen Knotts tells the full story of her father, Don Knotts Much has been written about Don Knotts's career, especially about his iconic role as Barney Fife on The Andy Griffith Show, but personal views into the man himself are few and far between. In Tied Up in Knotts, a loving daughter provides a full-life narrative of her father: Don's difficult childhood in an abusive home, his escape into comedic performance, becoming a household name, his failing health, and his family life throughout, leading to touching and hilarious moments that will make the reader laugh and cry. Those looking for a behind-the-scenes peek at the show, from the nuts and bolts of production to the hilarious pranks and heartfelt moments between the cast and crew, will see it all through the eyes of the little girl who grew up on the set. Knotts will delight readers with the memories of celebrities touched by Don's life, including Ron Howard, Tim Conway, Andy Griffith, Maggie Peterson, John Waters, Barbara Eden, and Jim Carrey. Tied Up In Knotts delves beyond Barney Fife nostalgia to tell the life story of a man and father.

In honor of the ten-year anniversary of The Heroin Diaries, Nikki Sixx's definitive and bestselling memoir explores Nikki's yearlong war with a vicious heroin addiction. Now more than ever, with opioid addiction ravaging our country and rising by twenty percent in the past year alone, Nikki's story of both his descent into drug-addled decay and subsequent recovery and transition into a rehabilitation advocate are now more relevant than ever. When Mötley Crüe was at the height of its fame, there wasn't any drug Nikki Sixx wouldn't do. He spent days-sometimes alone, sometimes with other addicts, friends, and lovers-in a coke- and heroin-fueled daze. The highs were high, and Nikki's journal entries reveal some euphoria and joy. But the lows were lower, often ending with Nikki in his closet, surrounded by drug paraphernalia and wrapped in paranoid delusions. Here, Nikki shares the diary entries—some poetic, some scatterbrained, some bizarre—of those dark times. Joining him are Tommy Lee, Vince Neil, Mick Mars, Slash, Rick Nielsen, Bob Rock, and a host of ex-managers, ex-lovers, and more. Brutally honest, utterly riveting, and surprisingly moving, The Heroin Diaries follows Nikki during the year he plunged to rock bottom—and his courageous decision to pick himself up and start living again.

Recounts the addiction and recovery of the world-renowned solo artist and former lead singer and songwriter of Soul Coughing.

From popular TV correspondent and writer Rocca comes a charmingly irreverent and rigorously researched book that celebrates the dead people who made life worth living.
